

The Silent L·E

Standard finish is Silver Grey, but two-colour schemes are now available in Blue/Grey, Green/Grey, Ruby/Grey. Colours and dual seat are extras.

Barnstormers.co.nz

THE famous silent LE Velocette has proved itself in the hands of thousands of owners, of all ages, as a safe and comfortable means of personal transportation. The "200" flat twin watercooled engine provides power enough for both everyday work and long-distance touring. It is economical and unusually silent. Car-type transmission with shaft drive gives extended mileage with a freedom from frequent servicing. Coil spring suspension fore and aft is fitted and the rear suspension struts have patented adjustment for riding weight.

L'E Model Price £136 plus P.T. £27 4s Total £163 4s

Optional extras for L'E

Dual Seat £3 15 7 inc. P.T. Two colour finishes £3 18s inc. P.T.

1. Instruments, lights and ignition switch are grouped in panels in the legshields.

2. Generous front mudguarding and legshields provide all-weather protection.

3. Starting by hand-lever is easy, requiring only the lightest effort.

4. Capacious twin pannier bags are standard equipment.
