1928

A FEW "1927"

SUCCESSES

PERFORMANCE is the acid test of merit—and the performance of the DUNELT Model "K" stamps it as a machine of quite exceptional merit. Here are a few of the numerous awards gained by DUNELTS during 1927, the machines being mostly standard and privately owned.

AT BROOKLANDS, September 20th, 1927

THREE WORLD'S SPEED RECORDS

in Class A, were broken by the 1928 "K" SPORTS, beating by over 3 miles per hour those previously held by an O.H.V. Four-Stroke machine, as follows:—

7 HOUR, distance 452 miles, 1029 yards.

8 HOUR, distance 513 miles 542 yards.

500 MILES, time 7 hours 47 mins. 5 secs.

(Subject to A.C.U. confirmation.)

SPEED 64.65 m.p.h. or 104.05 k.p.h.

SPEED 64.16 m.p.h. or 103.25 k.p.h.

SPEED 64.22 m.p.h. or 103.35 k.p.h.
